3

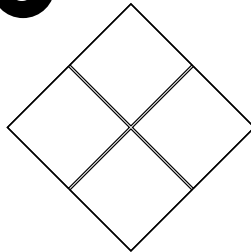

Brett diagonalt
begge veier, for så å brette
tilbake flatt igjen.

4

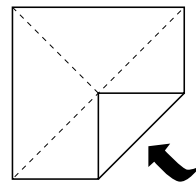

Brett inn alle
fire hjørner slik at de
møtes på midten.

5

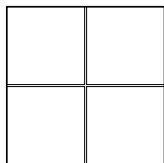

Når den ser
slik ut, snur du den
opp-ned.

6

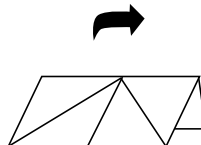

Så bretter du inn
de fire hjørnene her
også, slik at de
møtes på midten.

7

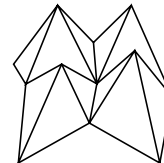

Da skal den
se slik ut.
